clickFIX® 76 GOLD

- Unique patent pending click FIX® technology
- Quick and easy mounting without tools.
- Reduces heat loss by 36% compared to Profi.
- Reduces heat loss by 70-80% compared to traditional 26 mm trapdoors/loftladders
- 27 kilo, weight reduced by 25% compared with Dolle Profi. No component weighs more than 11 kilo.
- 3-section folding attic ladder - requires no headroom or storage space in the loft.
- Supplied with plastic architraves for extra finish.
- Double draft extruder to ensure optimum tightness.
- Airsealing: Class 4 tested at IFT Rosenheim according to EN 12207.
- Sturdy spring counter balancing system for smooth and effortless operation.
- Nice finish with white-faced trapdoor and primed casing.
- Non-slip treads and plastic feet for extra security.
- Hidden trapdoor hinges make it easy to paint, varnish or clad the trapdoor.
- Specially developed height adjustment system for fine tuning floor-to-ceiling height.
- Easy operation - delivered with push/pull rod made of wood.
- Tested according to EN 14975: - test load 265 kg, - max working load 150 kg.
